Title : Design and develop custom Application (Mini Project) using Salesforce Cloud.

STEPS TO CREATE AN APPLICATION(mini project) :

1. Open salesforce in Lightning Experience
2. Open App Launcher → View all → Quick Search → App Manager → Click on New Lightning App → fill the mention information → Next → App option(optional) → Next → Add Utility (optoinal) → Next → Navigation Item(you can add item) → Next → User Profile(use the user profile that can access this app) → Save and Finish.

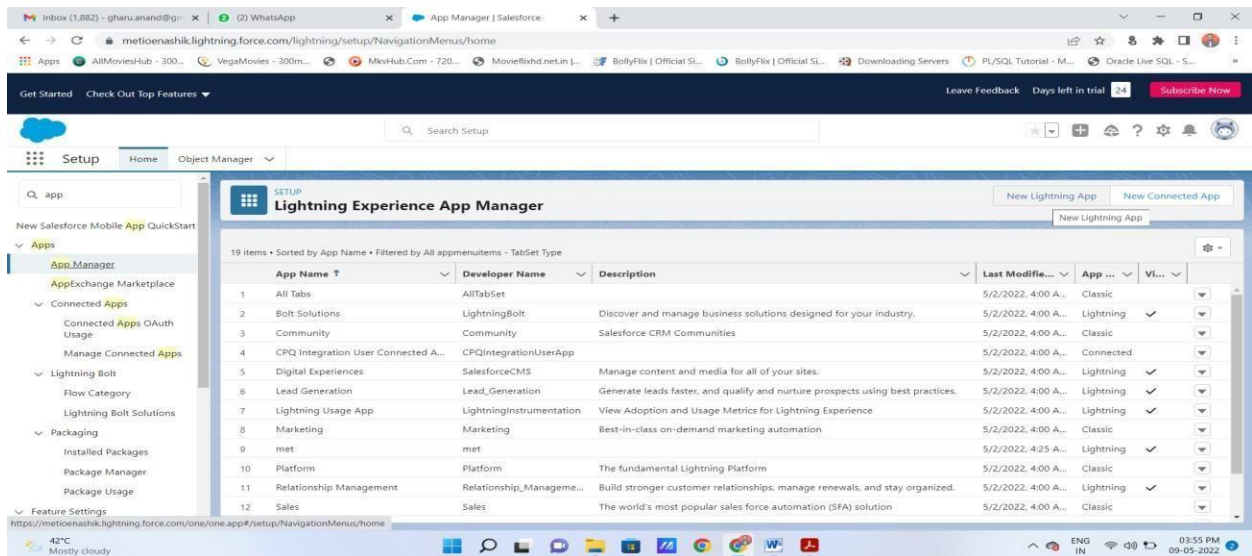

You will get Lightning Experience App Manager Window → Search Your App by its name in App Launcher → just by entering some character, you can see app name with its logo → Click on App → you can see your application appearance in window → Output

Note : steps images are provided here.....

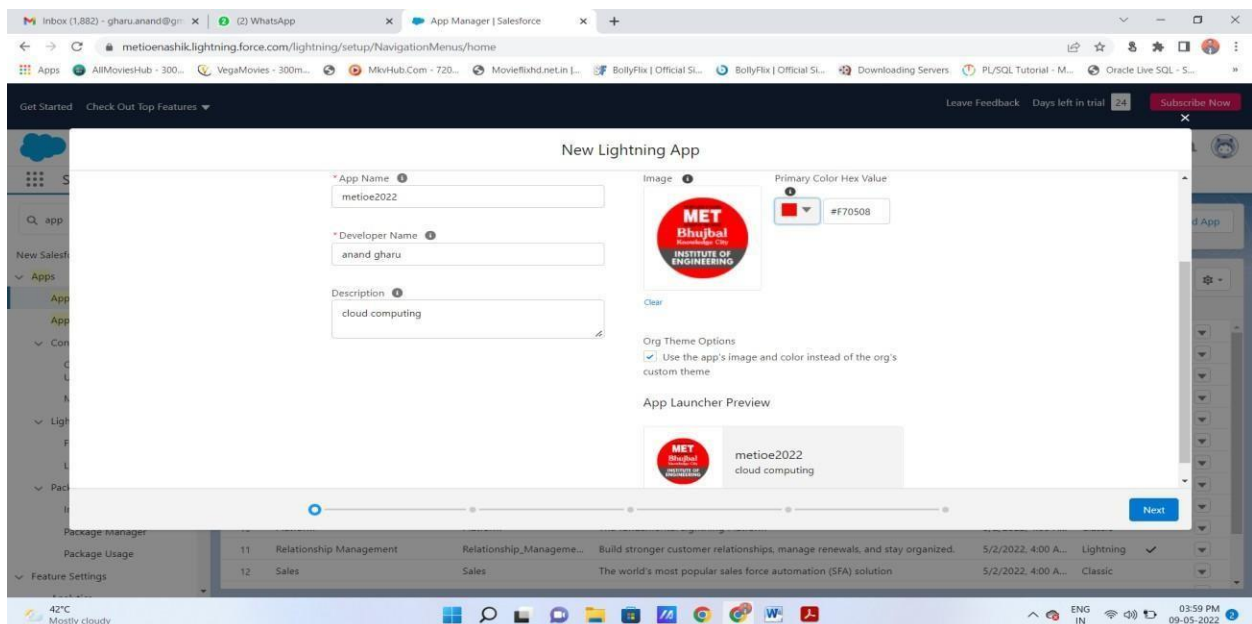

1. . Open salesforce in Lightning Experience

The screenshot shows a web browser window with multiple tabs. The active tab is 'Manage Subscription | Salesforce'. The address bar shows the URL: <https://metioenashik.lightning.force.com/lightning/setup/LightningCheckout/home>. The page has a dark blue header with 'Get Started', 'Check Out Top Features', 'Leave Feedback', 'Days left in trial 24', and a 'Subscribe Now' button. Below the header is a navigation bar with 'Setup', 'Home', and 'Object Manager'. A search bar labeled 'Search Setup' is also present. The main content area is titled 'Manage Subscription' and features a large illustration of a cactus and a sun. The text on the page reads: 'You haven't subscribed yet' and 'When you subscribe, you can manage your products, licenses, and billing information right here.' A 'Subscribe Now' button is located at the bottom of the main content area. The left sidebar contains a 'Quick Find' search bar and a list of navigation items: 'Setup Home', 'Service Setup Assistant', 'Multi-Factor Authentication Assistant', 'Release Updates', 'New Salesforce Mobile App QuickStart', 'Lightning Usage', 'Optimizer', 'Manage Subscription' (which is highlighted), 'ADMINISTRATION' (with sub-items 'Users', 'Data', 'Email'), and 'PLATFORM TOOLS' (with sub-items 'Apps', 'Feature Settings'). The bottom of the browser window shows the Windows taskbar with various application icons and a system tray displaying the temperature (42°C), weather (Mostly cloudy), and the time (03:54 PM, 09-05-2022).

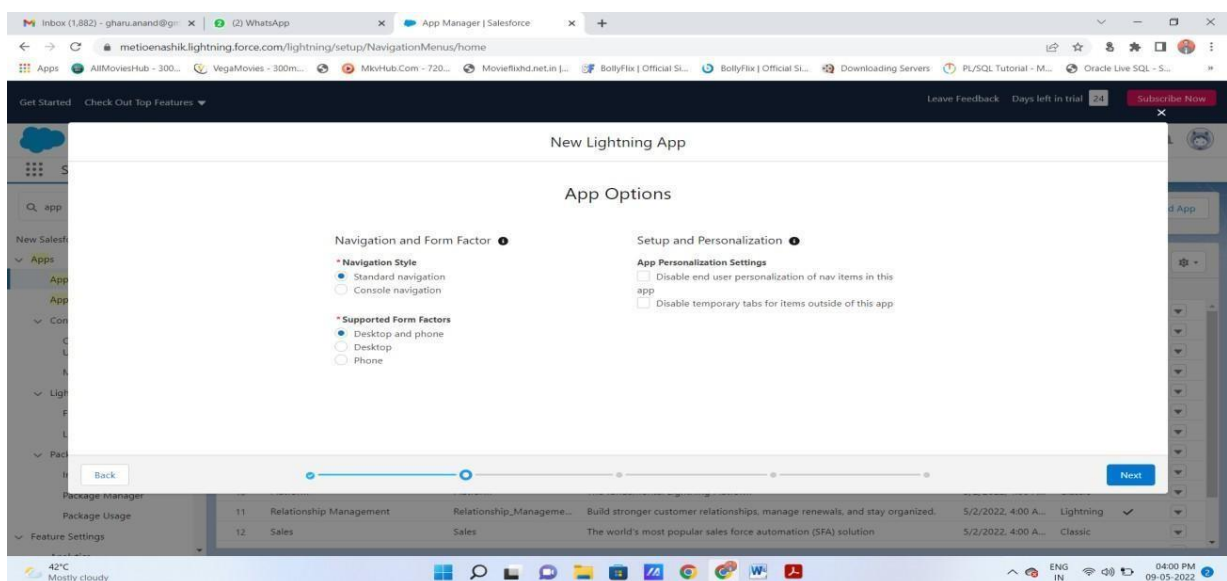

2. Open App Launcher ? View all ?(Quick Search ? App Manager) ? Click on N Lightning App

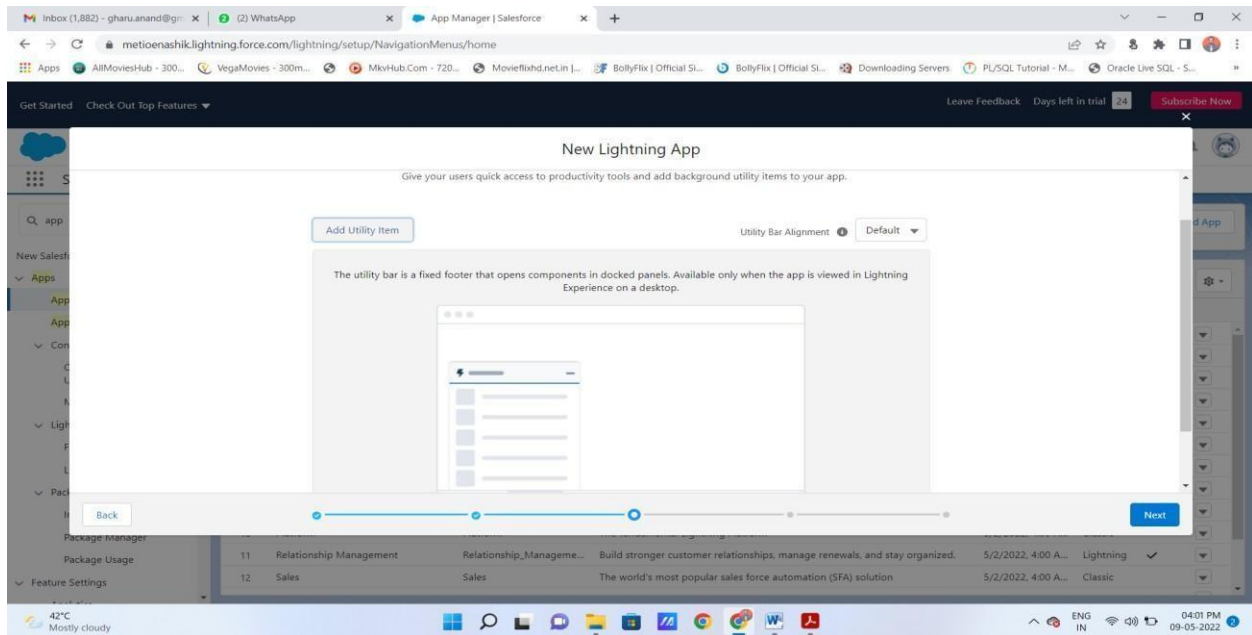

3. fill the mention information in new lightning app : then next

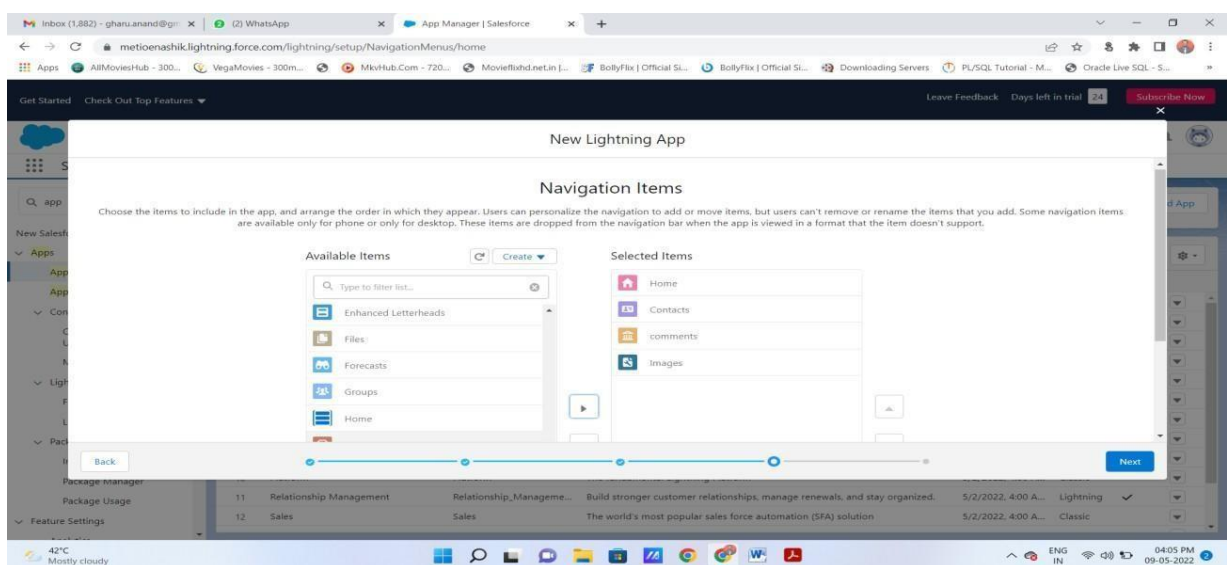

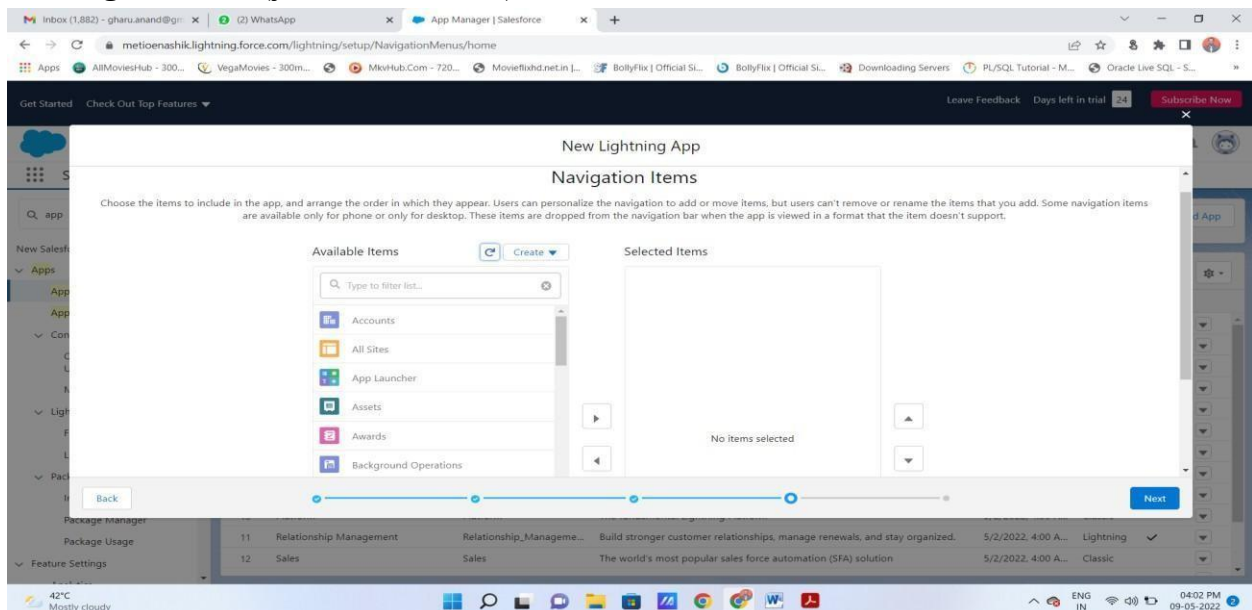

4. App option(optional) ? Next ?

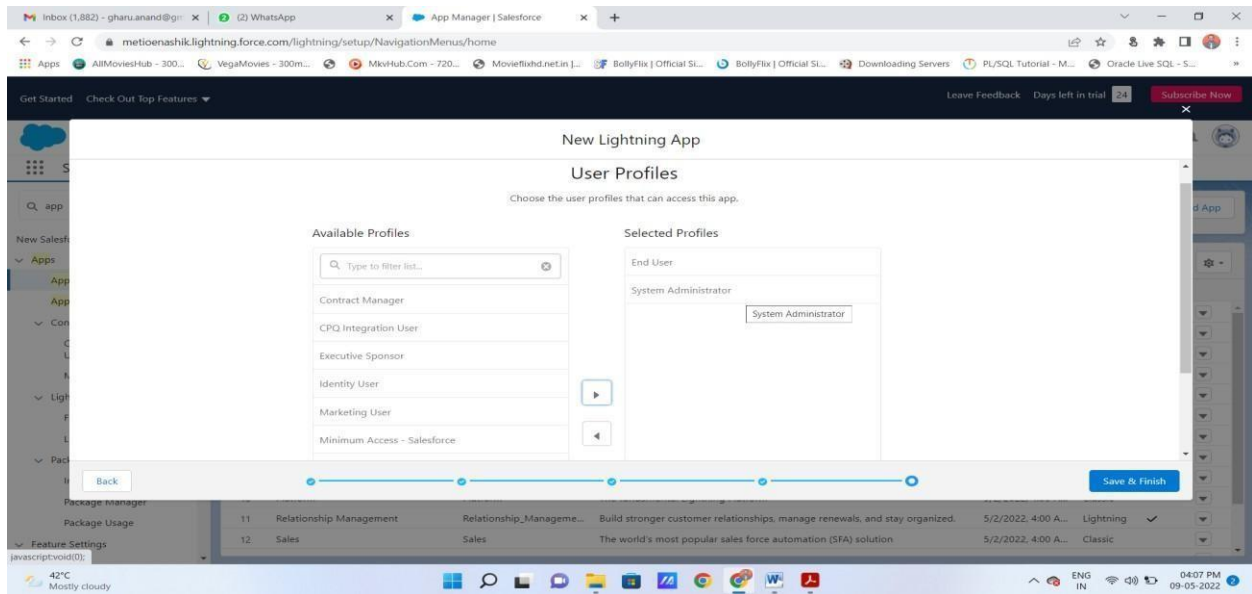

5. Add Utility (optional) Next .

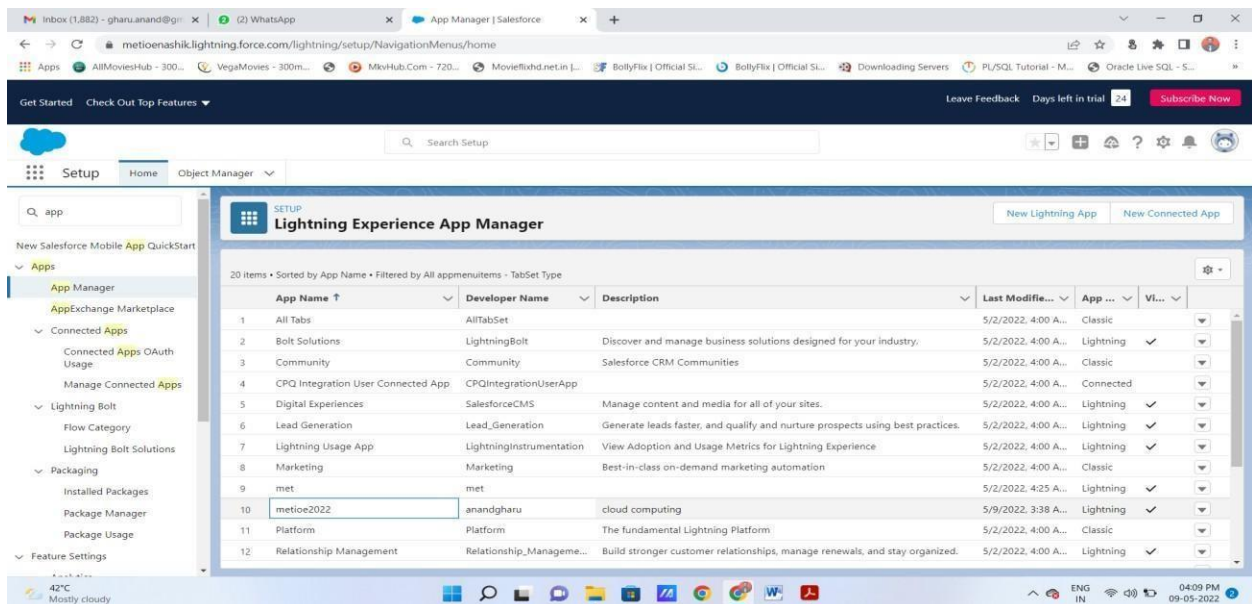

6. Navigation Item(you can add item) Next .

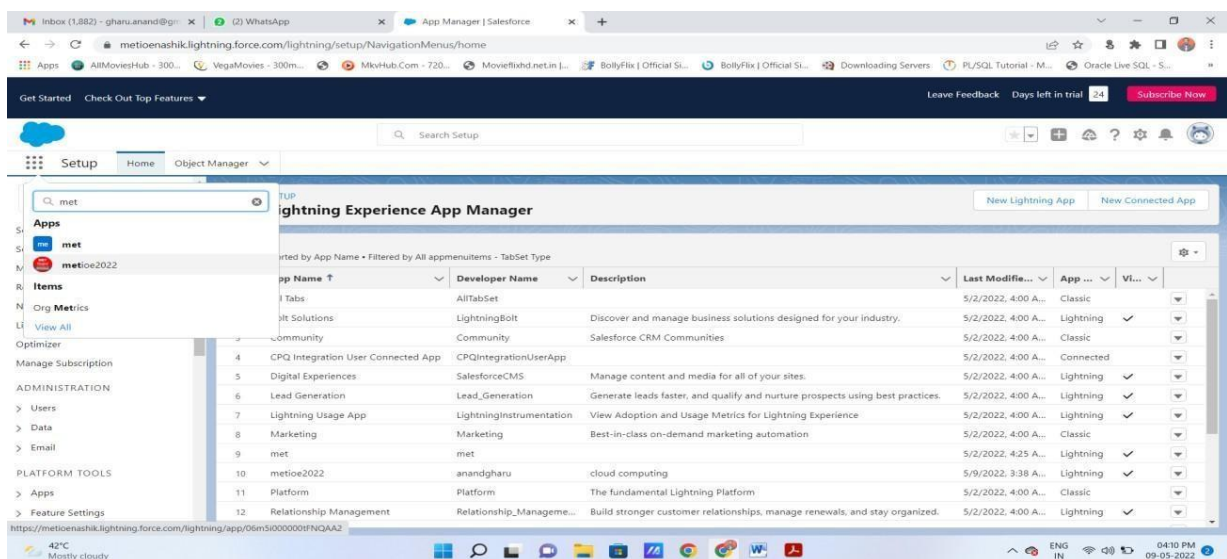

7. User Profile(use the user profile that can access this app) ? Save and Finish

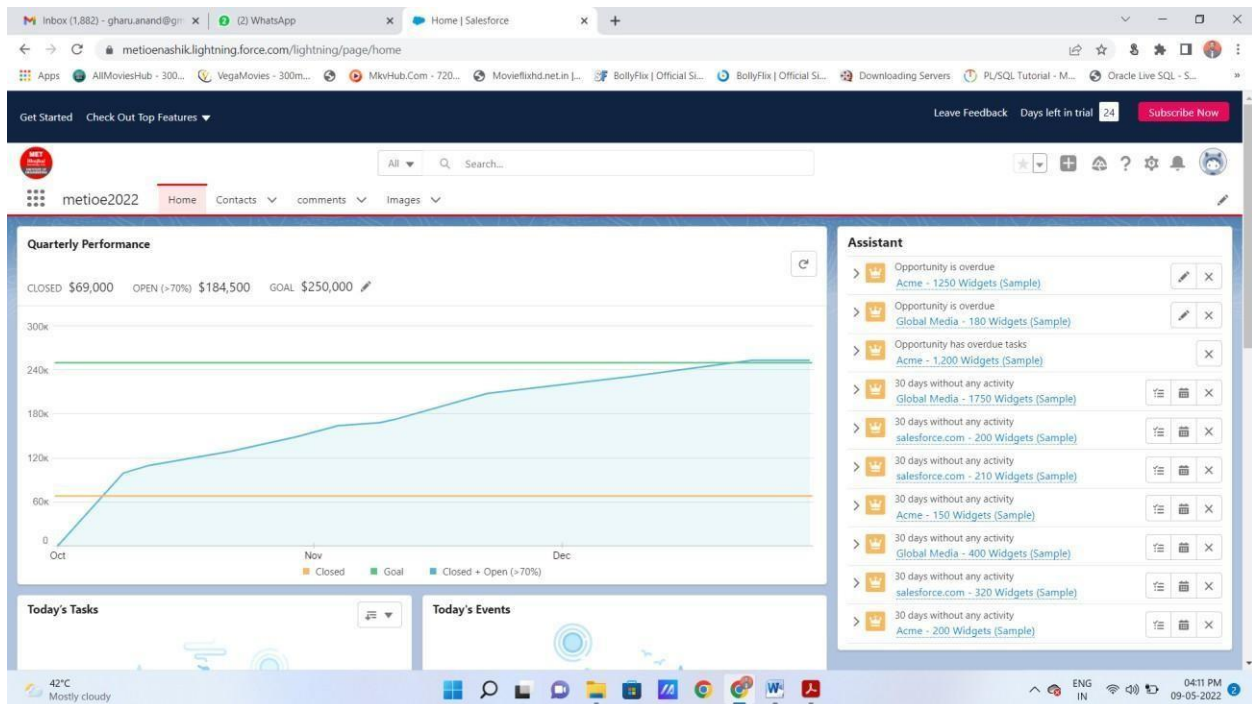

8. You will get Lightning Experience App Manager Window(here, you can see your application)

9. Search Your App by its name in App Launcher ? just by entering some character, you can see app name with its logo ? Click on App ? you can see your application appearance in window ? Output.

Output : You can see your application here....

10. You can add new contact in your application :

The screenshot shows the 'New Contact' form in the Salesforce Lightning interface. The form is titled 'New Contact' and contains the following fields:

- Contact Information:**
 - Name:** Fields for Salutation (Mr.), First Name (ANAND), Middle Name (NANDLAL), Last Name (GHARU), and Suffix (ANG).
 - Account Name:** metioe
 - Title:** Cloud Computing
- Contact Owner:** ANAND GHARU
- Reports To:** Search Contacts...
- Department:** Computer Engineering

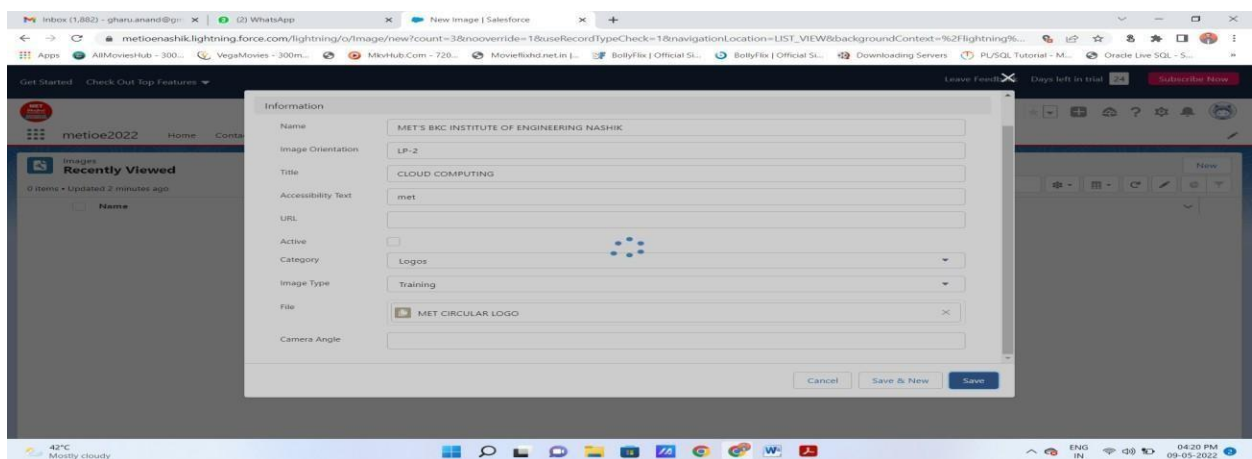

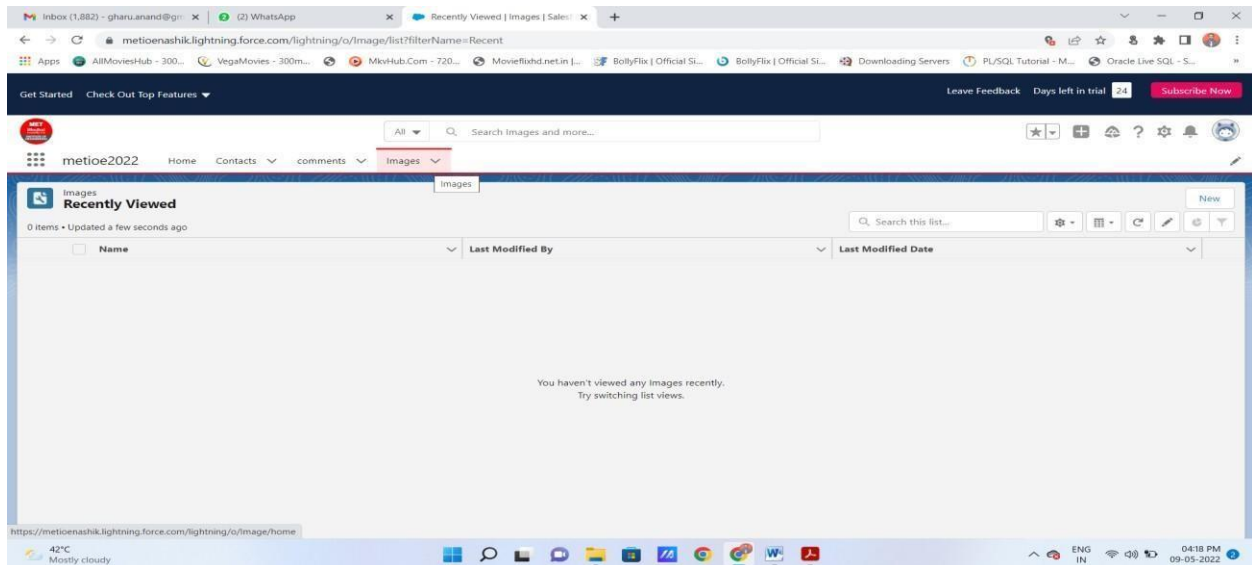

The form includes 'Cancel', 'Save & New', and 'Save' buttons at the bottom.

The screenshot shows the 'Contact' page for 'Mr. ANAND NANDLAL GHARU ANG' in the Salesforce Lightning interface. The page displays the following information:

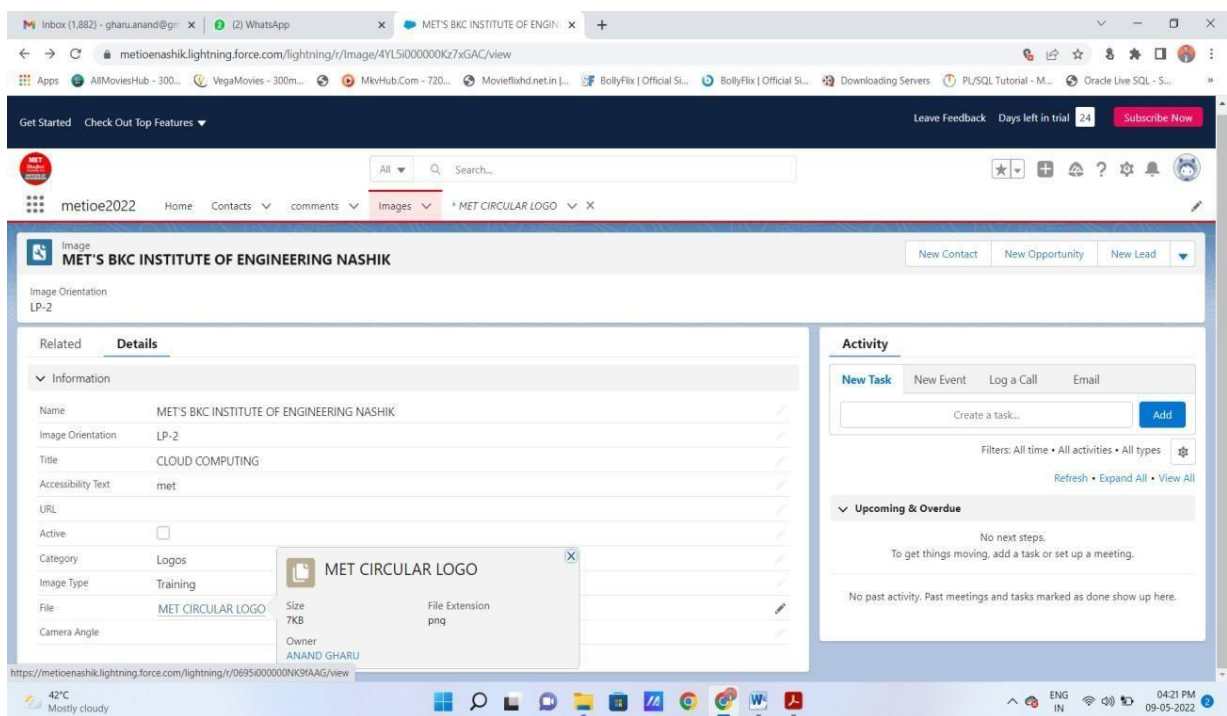

- Contact Details:** Title (Cloud Computing), Account Name (metioe), Phone (2), Email (gharu.anand@gmail.com), and Contact Owner (ANAND GHARU).
- Related:**
 - Related List Quick Links:** Opportunities (0), Related Accounts (1), Files (0), Notes (0), Cases (0).
 - Opportunities (0):** A section for managing opportunities.
 - Related Accounts (1):** A list of related accounts, including 'metioe'.
- Activity:**
 - Log a Call:** A section for logging calls.
 - New Task:** A section for creating new tasks.
 - New Event:** A section for creating new events.
 - Email:** A section for sending emails.
 - Filters:** All time, All activities, All types.
 - Upcoming & Overdue:** A section for managing upcoming and overdue activities.

The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the date and time (04:17 PM, 09-05-2022).

11. You can add images also :

You can see here that image is added as MET Circular logo(its image file name) :

You can see actual image by clicking on link :

The screenshot shows a web browser window with multiple tabs. The active tab is titled 'MET CIRCULAR LOGO | Salesfor...' and the address bar shows a URL from 'metioenashik.lightning.force.com'. The browser interface includes a top navigation bar with 'Get Started' and 'Check Out Top Features' links, and a 'Subscribe Now' button. Below this is a search bar and a navigation menu with 'Home', 'Contacts', 'comments', and 'Images'. The main content area displays a file named 'MET CIRCULAR LOGO' with a size of 7KB and a file extension of 'png'. The owner is listed as 'ANAND GHARU'. A preview of the logo is shown, which is a red circle with the text 'MET Bhujbal Knowledge City INSTITUTE OF ENGINEERING'. To the right of the preview is a 'File Engagement' section with 'Views' and 'Downloads' both at 0. The bottom of the browser window shows a Windows taskbar with various application icons and a system tray displaying the temperature as 42°C, weather as 'Mostly cloudy', and the time as 04:21 PM on 09-05-2022.

File: **MET CIRCULAR LOGO**

Size: 7KB | File Extension: png | Owner: ANAND GHARU
